THE CANTUARIAN

Vol. XXVI No. 1

December, 1954

EDITORIAL

*Multa renascentur quae iam cecidere, cadentque
Quae nunc sunt in honore vocabula, si volet usus,
Quem penes arbitrium est et ius et norma loquendi.*

The tides of fashion flow fast in a school, and its dictators are transient but absolute. Dress or reading, societies or sport—in each the fetish arises and collapses under the double force of the impact of individuals and the general reaction; and with the departure of each generation are lost a few more bulwarks of conservatism, and the old ideals are left uncherished and unsponsored until posterity draws on them again to overthrow the new.
